Attending a Meeting at Town Hall

1. **Masks must be worn at all times in Town Hall.** The Town does not provide masks so please come prepared to bring your own and wear it in accordance with Town Hall and State requirements.
2. **Social distancing of 6 feet or greater is required when sitting in the meeting room or waiting in the hallway.** Members of the same household may sit together closer than 6 feet if they so desire.
3. If social distancing of 6-feet or greater in the meeting room cannot be achieved, the Chairman will be required to reschedule the meeting.
4. In some instances agenda items and public hearings may be scheduled at a specific time. If you are attending a scheduled agenda item, it is recommended that you wait in the hallway until the Board calls you in. This will prevent overcrowding the room and potentially forcing the meeting to be rescheduled. Each specified hearing will not begin before the time stated on the agenda.
5. Public hearing sign in sheets with a pen will be set up at the entrance of the meeting room. Please bring your own pen if you do not wish to use the one provided. Hand sanitizer will be available.
6. Anyone wishing to speak to the Board must first be recognized by the Chairman. You will be required to come up to the presenter's table, one at a time, and speak into the microphone.
7. The Chairman will call you to the presenter's table. Only one person may sit at the presenter's table at a time. You will be asked to state your name and address for the public record.
8. Do not touch any part of the microphone. The equipment requires special cleaning protocols which are done by staff. Please lean in to speak but do not adjust or touch any part of the microphone. If you need assistance, please ask.
9. No one is allowed to approach the table where the Board or Commission members are sitting at any time for any reason.
10. Anyone wishing to submit new material to the Board at the time of the hearing is required to leave it at the presenter's table where it will be picked up at the end of the meeting and entered into the record.
11. Meetings are typically broadcast live (Charter Cable Channel 191) and rebroadcast on the Town's YouTube channel (link on the Town's website). Please follow all directions from the Chairman.
