NEW BOARD BUSINESS

Mr. Zalewski is concerned about the temperature in the Sitkowski apartments. He explains there is no central air in the apartments, only one portable cooling unit per apartment. With the ceilings being so high, the temperature of the units roughly keeps the room at about 80 degrees. The Acting Health Director explained this issue will be looked into.

MONTHLY REPORTS

The monthly Nurse Report was reviewed.

The monthly Acting Health Director Report was reviewed. The Board requested in further reports that the amount of phone calls and permits issued be recorded as well.
