## LETTER OF COMMENDATION

**To: Detective Toby Wheeler**

**From: Chief Timothy Bent**

**Date: October 4, 2013**

---

Detective Wheeler, it is my privilege to recognize and more importantly thank you for your recent investigatory work involving illegal drug operations in the Town of Webster. As a direct result of your tireless efforts, several arrests and seizures were made both on the Federal and State level.

Specifically, on September 20, 2013 you coordinated the execution of three search warrants within the Town of Webster. Several law enforcement agencies were involved including Federal, State and Local Police. I personally witnessed your professionalism and expertise during the course of these search warrants. Through your direction, four (4) individuals were charged with various drug distribution offenses, and several seizures, to include a half of kilo of cocaine, were made.

As the result of a lengthy investigation, on September 25, 2013 you again coordinated search warrants in the Towns of Webster, Paxton, Leicester, Douglas, and the City of Worcester. As a direct result of your investigation several marijuana grow houses were shut down, and several arrests and seizures were made.

Once again, I commend you for your dedication and efforts. The Town of Webster is proud of your accomplishments. You continue to serve this department with excellence in all you do.
