**RE: Break in and Arson**

**Date: October 17, 2013**

**A break in was reported to the Webster Police Department at 0820 hours on 10/15/13 at the Filmer School Administration building at 41 East Main Street. Once police arrived, they discovered a break in had occurred and that a fire had been set in an office on the second floor of the building. Fortunately the fire extinguished itself and damage was contained to a small area. Due to this fact, it was not discovered until employees reported for work following the holiday weekend. Police estimate the break occurred sometime between 9 pm on Friday, October 11<sup>th</sup> and when the offices opened on the 15<sup>th</sup>.**
