At approximately 00:31 hrs 12/28/06, the Webster Police Department received a 911 call from a residence of Upland Ave about a neighbor screaming and someone trying to break into the house.

Officers arrived at the scene and met the home owners who informed them that the suspects had left the residence. EMS was notified and transported the male to Hubbard Hospital to be treated for burns to his body.

During the interview of the home owners it was mentioned that they were tied up, blindfolded, and brought to the basement and the male was tortured. After taking cash and jewelry the suspects fled the scene. The suspects spoke Spanish to the victims.

It was described that there were possibly four Hispanic suspects with handguns. A vehicle that the suspects were in was possibly a White Ford or Hyundai with 4 doors.
