RE: Stolen Firearm Recovered

On January 15 at approximately 8:46 pm, an individual called the Webster Police stating that carload containing several people had approached him asking to buy drugs and flashed cash and a firearm. The vehicle and its occupants then left after the individual stated they had no drugs. A broadcast was given out to patrol units and a short while later the same individual called back and stated the vehicle was now at Walgreen's Pharmacy.

Officer Bruce Hamm located the vehicle and was joined a short while later by Officers Michael Lee and Christopher Trainor. There were three occupants who were removed from the vehicle and a search was done. During that search Officer Hamm recovered a small handgun that was later determined to be stolen from New Hampshire.

As a result the following were arrested and charged with:

Kane Notice, 19, 15 Shepherd Street Worcester

Nicole Farrell, 18, 70 South Street, Douglas

14 year old juvenile

Carrying a firearm without a license

Receiving stolen property over \$250.00

Conspiracy to violate the drug law

All were held on \$290 cash bail at the Webster Police Department

Farrell and Notice were arraigned at the Dudley District Court this morning.

The juvenile was arraigned in Worcester Juvenile Court.
