A Design Public Hearing will be held by MassDOT to discuss the proposed reconstruction of Klebart Avenue / Lake Parkway in the Town of Webster.

WHERE: Webster Town Hall, Planning Board Meeting Room  
350 Main Street  
Webster, MA 01570

WHEN: Tuesday, April 25, 2017 at 7:00 PM

PURPOSE: The purpose of this hearing is to inform the public of the proposed roadway improvement project on Klebart Ave./Lake Parkway and to provide an opportunity for public question and comment. All questions and comments raised at the hearing will be reviewed and considered to the maximum extent practicable.

PROPOSAL: The proposed project consists of the reclamation of Klebart Avenue and Lake Parkway from the intersection of Klebart Avenue with Brandes Street to the intersection of Lake Parkway with Thompson Road (Route 193), a length of approximately 6000 feet. The proposed roadway work will involve reclamation of the existing pavement with a new base course with widening to provide the required bike lane widths. New granite curbing will be installed at the road edges and new ADA compliant sidewalks will be constructed on both sides of the road. The proposed cross section will consist of two, 12-ft travel lanes, two 5-ft bike lanes, vertical granite curbing and two 6-ft sidewalks.

A secure right-of-way is necessary for this project. Acquisitions in fee and permanent or temporary easements may be required. The Town is responsible for acquiring all needed rights in private or public lands. MassDOT's policy concerning land acquisitions will be discussed at this hearing.

Written comments received by MassDOT subsequent to the date of this notice and up to five (5) days prior to the date of the hearing shall be displayed for public inspection and copying at the time and date listed above.
