

## Construction Notice

**\*\* The project requires pipe installations across Route 16. This will continue to occur throughout next week. Please expect traffic delays during this time. We will work diligently to minimize the disruptions and sincerely appreciate your patients during this critical infrastructure project. If you have any specific concerns please do not hesitate to contact the Town Engineer at 508-949-3800x1028. \*\***

The Town of Webster is beginning the Construction of a Water Main Replacement project.

The projects consisted of approximately 4,500 linear feet of 16-inch water main, valves and hydrants. House services will be replaced from the water main to the property line.

Project location includes:

- **Gore Road** - Arthur Remillard Jr. Way to Rawson Road
- **Rawson Road** –Gore Road to the Water Storage Tank Access Road
- **WST Access Road** –Rawson Road to the Water Storage Tank

### Water Main Project Limits
