6 Brook Street-Housing Inspection Hearing Vote

The chair opened the public hearing for 6 Brook Street and requested discussion regarding any comments or updates from the property owner. The property owner, Linda Cournoyer, stated not much has been done to the unit. She is currently in court with the occupant, as well as the house is in the process of going on the market once the occupant is moved out; the house will be sold as is, which is why repairs are not and will not be done. The Health Director discussed the number of issues still found when a re-inspection was performed on May 25, 2022.
