Re: Delivery Driver Robbery

Date: December 19, 2012

At 1858 hours the Webster Police Department received a 911 call from a delivery driver working for Main Street Chinese Restaurant that he had just been robbed. The robbery took place at 40 Pleasant Street as the driver was making a delivery. The only description is that the suspect was a black male wearing dark clothing. It is unknown if he left on foot or in a vehicle. He made off with the order and the victim's wallet. The victim was not physically hurt in the incident.

Anyone with any information is asked to contact Detective Gordon Wentworth at 508-943-1212. Tips can also be submitted via [www.websterpolice.com](http://www.websterpolice.com)
