**Re: Commercial Breaking and Entering**

On January 7, 2007 at approximately 0020 hours, Sergeant Michael Shaw was monitoring traffic on Main Street in Webster when a passerby informed him of suspicious activity occurring at JAMAC Appliance located at 59 East Main Street. Sergeant Shaw responded to the business and discovered the front door had been forced open and all the glass on it had been smashed out.

The building was cleared/searched by Sergeant Shaw, Officer Daniel DiFusco, and Officer Michael Yurkevicious with negative results. Trooper Bigelow responded with his K9 and a search of the area was conducted, also with negative results.

Police are investigating several leads and are also asking anyone with any information is asked to contact Sergeant Michael Shaw at 508-943-1212, or online at [michael.shaw@websterpolice.com](mailto:michael.shaw@websterpolice.com). A reward may be given for information leading to the conviction of the suspect(s).
