**Re: Home Invasion**

On 2/8/11 at 1359 hours, Webster Police received a call stating that male had just kicked in a door at 19 Granite Street at apartment 3F. Officer Cynthia Johnson was first to arrive and saw a male leaving the residence carrying a large meat cleaver. The male was immediately identified as Jamie Lepage 1/14/72 25 Lincoln Street, Basement apartment and was known to have an outstanding arrest warrant for kidnapping, assault with the intent to rape, intimidation of a witness, indecent assault and battery on a person over 14, and threatening to commit a crime.

Officer Johnson knew Lepage to have an outstanding warrant, so she took him into custody for it. Once backup arrived, it was learned that the resident of the apartment was the victim in the aforementioned charges. It was also learned that Lepage had entered the apartment with a meat cleaver; apparently looking for someone he thought was now in a relationship with the victim.

In addition to the outstanding warrant, Lepage was also charged with Home Invasion, Intimidation of a Witness, and Wanton Destruction of Property under \$250.00.

Lepage is being held on \$5040 bail pending an arraignment tomorrow in Dudley District Court.
