Re: Public Safety Softball Tournament/Fundraiser

On July 17, 2010, members of the Webster Police, Fire, and Rescue Departments, and members of Webster EMS gathered to play a slow pitch softball tournament style tournament which was used as a fundraiser to raise monies for the Northeast Transplant Assistance Fund in honor Kathleen Urato. Kathleen's son Bryan Urato was a Paramedic Supervisor at Webster EMS before moving on to Worcester EMS. Kathleen has been waiting for an intestinal transplant and the monies raised help to defray the costs associated with an operation like that. A little over \$1200 was raised. Anyone wishing to donate money should go to the website <http://www.NTAFund.org> and be sure to designate that is in honor of Kathy Urato.
